Central Saskatchewan
“Field-Day”
Shorthorn Sale

to be held

Monday, June 11th, 1973

Commencing at 1:00 p.m., C.S.T.

Come early and look over the offering.

Lunch is available
at the

Saskatoon Auction Mart

Saskatoon, Saskatchewan

Two miles north of the Airport
on Idylwyld Drive and Highway No. 11 north.

Selling 120 Lots

Shorthorns and Polled Shorthorns

25 Cows with Calves—16 Bred Heifers

64 Open Heifers—15 Bulls

General Information

HEALTH—These herds and the Market are maintained in T.B. Restricted and Bang's Control Areas so that the cattle can go right out from the sale to any point in Canada. Arrangements may be made to test cattle for export.

GUARANTEE—The bulls in this sale are guaranteed to be breeders according to the terms of the Saskatchewan Cattle Breeders Ass'n Rules. Cows with calf at foot are considered to be breeders. Bred heifers cannot be guaranteed in calf but they are guaranteed breeders. Heifers one year of age and over are guaranteed breeding.

SHIPPING—Purchases may be left at the Market overnight while trucking is arranged.

Plan to attend the **Shorthorn Field Day, Sunday, June 10th,**
at the Ralph Elliot Farm, Borden, Sask.

Representative: Mike Kershaw, the Shorthorn World

Sale Conducted by

BLACKLOCK AUCTION SERVICE

1008 - 8th St. E., Saskatoon, Sask.

Please bring this catalogue with you to the sale.

Cover Story:

The bull pictured on the front cover is Spartan Joey, bought with his dam out of the 1971 Shorthorn "Field-Day Sale. The following show record speaks for the quality of the cattle offered in this Annual Sale: He was Grand Champion at Swift Current, Red Deer, Edmonton, Saskatoon; Reserve Grand at Regina; and was first in class at the Canadian Western Agribition. Finally, he has been nominated All-American. You can buy with confidence out of this 1973 Shorthorn "Field-Day" Sale.

John Moellenbeck & Sons, St. Gregor, Sask.

Fellow breeders and interested cattlemen. We are again offering a large group of quality cattle and we have dug deep to come up with these cattle. There isn't a cull among them (all culls go to the packers). I'm not using long flowery foot notes, just important information directly concerned with the cattle in the sale. (Good cattle don't need flowery foot notes.) Further information will be available at the stalls or by mail on request. We hope these cattle are what you are looking for, in that they are sound trouble-free cows with good healthy calves at foot. After all the Shorthorn female is the greatest with the least amount of trouble. The ranchers kind that produce and wean big calves.

Sincerely,
Bernie Moellenbeck

SCHOOLVIEW LEADER 31st

Senior Champion at this year's Regina Bull Sale. This big, easy moving, bull sold to Reed T. Berrett, Roberts, Idaho, for \$1825 and weighed 1620 lbs. in moderate condition. Schoolview Leader 31st was regarded by many Hereford and Angus men as the tallest best walking bull in the sale barns. This is quite a compliment as there were just under 900 bulls entered in the sale. Leader 31st is an excellent example of the type of cattle we are striving for and producing here at Schoolview. Don't forget he is a half brother to Schoolview Leader 18th X, who sold in last year's Regina Bull Sale to Wm. Muirhead and Sons for \$1950. This bull weighed over a ton at three years of age after heavy service, in one of Sask. long time top herds.

	{ Red, underline white, W. H. Haug

Seldom is a bull of this calibre, and with this kind of record, offered for sale, while still in his very prime. His extra length, his magnificent coloring, his wonderful temperament, and the fact that he is a one hundred per cent dehorner are features that surely must appeal to everyone. He served close to one hundred females naturally as a two year old and is very active and sure. With many daughters in the herd at Saskvalley, his use there has become limited, and while there are not yet that many of his calves at Scotsmorr he will be in service there until sale time; so they have agreed to part with their share so that full interest and full possession may be offered as a feature of this sale.

Lot 30

Female

BUTTE LEE APACHE 26th

Due to the fact that our female numbers are so high, and we have decided to return both Kodiak 2nd and Bonnyview Hero '7Z as herd sires, we are offering nearly all of our 1972 female calf crop. We are holding back only five heifers of breeding age. The heifers we are entering are not in show condition because we don't believe in excess fat at any time. Nearly all of our cattle or their dams were bred by Edgar Philpott, Central Butte, Sask. Working with Edgar, we have developed a program that can be summed up as: "Getting the most from every cow with the least amount of time, work, and feed possible", and we can assure you that this has come to mean the "survival of the 'fittest' ". The heifers we are offering have all been Calfhood vaccinated for Bang's and all pedigrees are clear for registration in the United States. Except 1.

Reference Sire: Kodiak 2nd X

This big long easy-fleshing bull can be best described by a look at his progeny.

Butte Lee Apache 26th X was bred by Edgar Philpott and raised at Bonnyview. He won his Class at the 1972 Regina Bull Sale where he was purchased by Aberfeldy Farms, Milton, Ontario. At Aberfeldy, he was used in 1972 and has now been purchased by Mr. Robert Thomson, Ormsary Home Farm, Argyll, Scotland.

Bonnyview Ethel X was Grand Champion at the 1970 Breed Promotion Sale in Regina. She was shown very successfully by the Zepick Brothers, Kipling, and is now one of the biggest cows at Saraguay Farm, Montreal, Quebec.

In 1969-70, Kodiak 2nd X sired the top-gaining Group of Shorthorns in the Saskatoon Central Sire Indexing station and the top individual bull.

The progeny of a Kodiak 2nd X son from the above group is presently topping the 1972-73 test there.

Kodiak 2nd X sired the Champion and top-selling Shorthorn in the 1972 Swift Current Bull Sale.

Reference Sire: Hero 7Z X

This 100% dehorning son of H. D. Commander's Hero sired the top-gaining Group of Shorthorns and the top individual bull in the 1971-72 test at the Saskatoon Central Sire Indexing Station. Hero is one of the tallest bulls we have ever used, tracing back to Nupar Ridgemaids, a cow we purchased in the Nupar Dispersal. His first heifers have calved now and are excellent milkers for two-year-old heifers.

32C heifer was purchased in the 1972 Field Day Sale and we only brought her back because we wanted to enter one older female but couldn't go any deeper into our Kodiak Daughters. She was shown at Agribition 1972 and stood well up in a large class.

Lot 78A—She sells with a March 30 white bull calf by BONNYVIEW LEADER BOB our polled son of KINNABER LEADER 9th. Although she was just 21 months old when she calved she is one of the best mothers in the herd.

Lot 79 **Female**

We were fortunate last fall to purchase most of Mrs. D. Mitchell's herd (formerly Miss D. Potts) and all the 1972 calves. These heifers were among the high indexing group. They are bred to Target Silver Fascination, a great young son of Seabreeze HD Fascination. Out of a two year old, he weaned October 20 at 600 lbs. On March 10 he weighed 1100 lbs. He's white, polled—those will be great calves.

This is another good trim, stretchy young bull with a complete polled pedigree. His sire is a son of the great "Riverhurst 3rd" and a full brother to the \$3,200.00 bull we had at the Regina Bull Sale. Green Dell Superman is a grandson of Victoria Heather who is the dam of the Reserve Grand and top selling bull at \$3,350.00 at the Regina Bull Sale. G. D. Superman is also a heifer's first calf. This could be your next herd bull!
